10. Grace Period of Entitlement for the Extended 15 hours

The childcare provider cannot ask the parent to pay any fee associated with their child's EEF place other than a refundable deposit, required to initially secure the place.

The childcare provider should ensure their invoices and receipts are clear, transparent and itemised, allowing parents to see that they have received their EEF entitlement completely free of charge and understand fees paid for additional hours. The provider will also ensure that receipts contain their full details so that they can be identified as coming from a specific provider.

The childcare provider can charge for meals and snacks as part of an EEF entitlement place and they can also charge for consumables such as nappies or sun cream and for services such as trips and yoga. These charges must be voluntary for the parent. Where parents are unable or unwilling to pay for meals and consumables, providers who choose to offer the EEF entitlements are responsible for setting their own policy on how to respond, with options waiving or reducing the cost of meals and snacks or allowing parents to supply their own meals.

- confirm my child's eligibility and enable this childcare provider to claim Early Years Pupil Premium (EYPP) or Disability Access Fund (DAF) on behalf of my child.
- If Ofsted publish an 'inadequate' inspection judgement for the provider, the local authority will withdraw funding eight weeks after the date the inspection judgement is published unless the 'quality of education' is judged to be 'good' or better. Where the 'quality of education' is judged to be 'good' or better, the local authority will continue to fund the provider until they are re-inspected. If the provider remains 'inadequate' at the re-inspection, funding will cease 4 weeks from the date the re-inspection judgement is published.
 - In such cases outlined above where I choose to secure alternative childcare before the date the local authority would ordinarily cease funding, the local authority will only fund the provider for a period of four weeks after the date the 'inadequate' inspection judgement was published. Any remaining funding after this date will be made available for me to access my child's EEF entitlement with a different provider which LCC's Family Information Service can assist me in finding, if required.
 - If I register my child for 2 year old funding or the 15 hours extended funding and my child is found not to be eligible, I will be liable for the full cost of the placement.
 - If my child's home address is outside of Lancashire County Council's boundaries and I also access the funded entitlements at a provider within my child's home local authority, I may be liable for the costs to the Lancashire provider, in the event that my child accesses more hours than the term/annual entitlements.
 - For my child to receive the greatest benefit from the EEF entitlement, it is important my child's attendance is in line with the agreed hours detailed above. Whilst it is appreciated that absences may occur due to unforeseen circumstances, I understand that the childcare provider/school may report my child's absence, in accordance with the childcare providers safeguarding policy.
 - An Early Education funded place cannot be provided to a child by a Provider if the child is related (as defined in the Childcare Act 2006 (Ch21, pt1.18)) to the registered owner of the childcare setting, where the registered owner is directly providing the childcare to the related child. This clause is of particular relevance to childminders. It will not apply in a pre-school or nursery setting provided the registered owner is not included in the ratios of staff providing childcare directly to a group that includes their related child/ren (e.g. key person).
